How to access Visible Body Suite
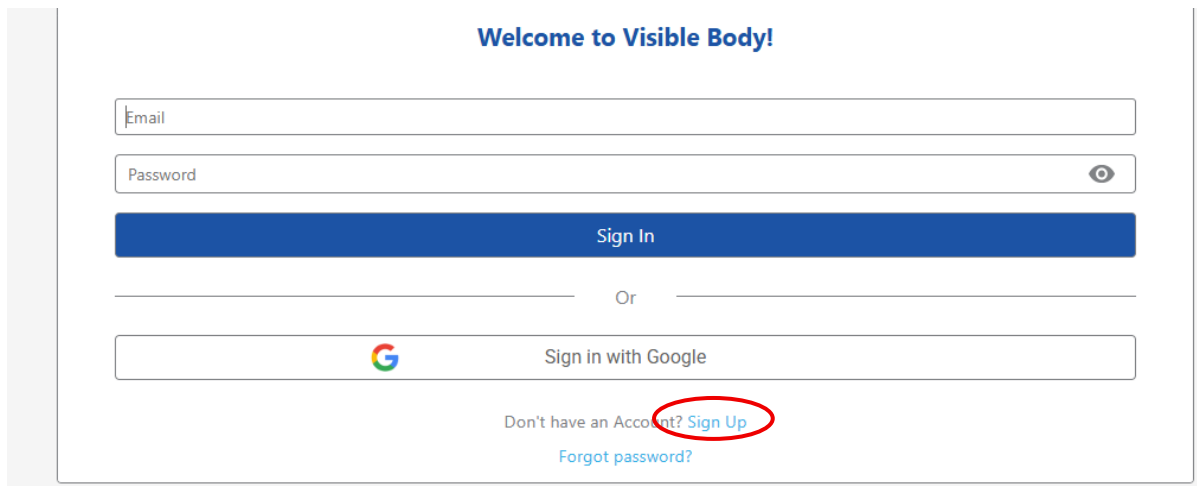

Visible Body is a 3D human body reference and study tool. Explore general anatomy, functional units, cross sections, muscle attachments, bony landmarks, muscle actions and more.

How to register to access the University of Portsmouth Library Visible Body Suite subscription:

1. Make sure you are either using a university PC campus or university wifi on campus or using the VPN (instructions on setting the VPN up are here: https://myport.port.ac.uk/it-support/student-it-support/guide-to-the-virtual-private-network-vpn

2. Go to https://websuite.visiblebody.com/

3. Click on sign up

4. Create an account using your University of Portsmouth email address:

Legacy Web Apps

6. For subsequent logins go to https://websuite.visiblebody.com/ and enter your email address and the password you created.

7. You must login to your Visible Bodies account every 150 days either on campus on via the VPN to keep your account validated. You can go to 'subscription management' under the three lines to see when you next need to revalidate.
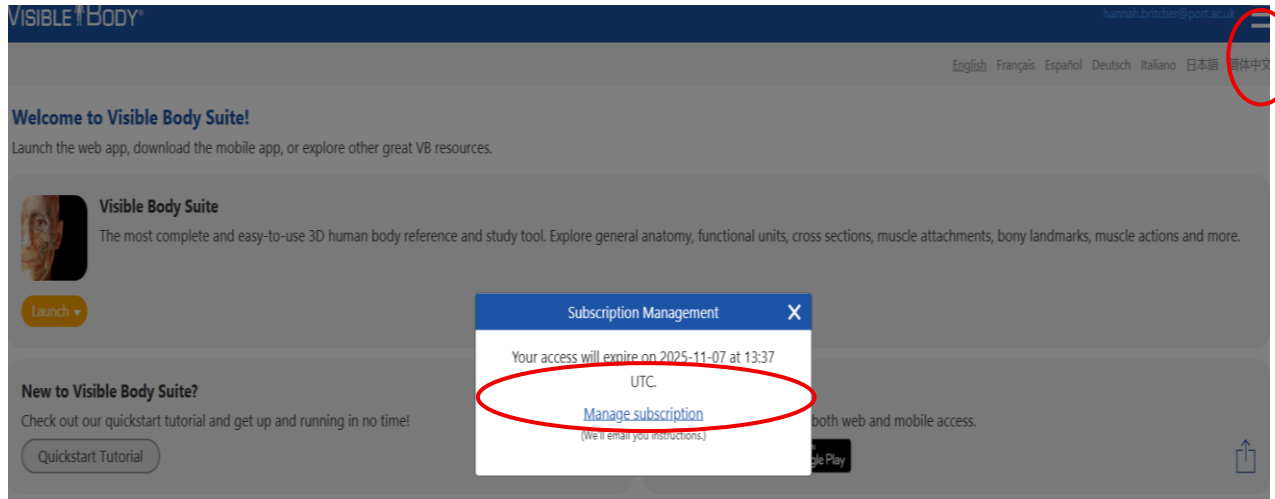

Troubleshooting

If you see a screen requesting payment when you sign up check you are connected to the VPN if off campus – you need to use the VPN to connect your account to the Library's subscription. **Solution**: Turn on the VPN on or use an on campus machine to register
